Bridge Forum Dialogue conference: “Decision making in the information driven society”, by Walter Radermacher, Director General of Eurostat, on 26 January 2015, at the Luxembourg Chamber of Commerce

The Bridge Forum Dialogue a.s.b.l. organised on Monday 26 January 2015 a conference: "Decision making in the information driven society", under the chairmanship of Mr. Gaston REINESCH, Governor of the Central Bank of Luxembourg, President of the Bridge Forum Dialogue. The speaker was Mr. Walter RADERMACHER, Director General of EUROSTAT, Member of the Board and of the Executive Committee of the Bridge Forum Dialogue.

The conference attracted a wide audience from the European institutions, as well as the financial, economic and legal community, established in Luxembourg.

Mr. Rademacher shared his vision and expertise on a range of issues: quality of statistics, measurability, policy relevance, trust, complexity and reducibility, understanding and statistical literacy, challenges and new developments in the field of statistics.

His speech was followed by a lively discussion.

The introductory remarks by Mr. Reinesch and Mr. Radermacher's presentation are available on the website of the Bridge Forum Dialogue: www.forum-dialogue.lu.
